

MiFID II RTS 28 BEST EXECUTION REPORT

Calendar Year Disclosure Period: **1 January - 31 December 2020**

Introduction

Caxton Europe, LLP ("Caxton Europe") is a United Kingdom limited liability partnership, authorized and regulated by the Financial Conduct Authority (the "FCA"). Caxton Europe provides investment management services to Caxton Associates LP ("Caxton"), the sole shareholder of Caxton Europe Asset Management Limited ("CEAM) which is the managing partner of Caxton Europe. Caxton is a registered Investment Adviser with the US Securities and Exchange Commission (the "SEC) pursuant to the US Investment Advisers Act of 1940, as amended, and under the Commodity Exchange Act as amended, as a commodity pool operator.

Under the European Union's Markets in Financial Instruments Directive and associated regulations ("MiFID II/MiFIR"), investment firms executing client orders are required to summarise and make public, on an annual basis, for each class of financial instrument, the top five execution venues in terms of trading volumes where they execute client orders in the preceding year, alongside information on the quality of execution obtained. Such information should then enable investors and the wider public to evaluate the quality of an investment firm's execution practices.

This report summarizes and provides information in relation to Caxton Europe's order execution activities during the period from 1 January 2020 to 31 December 2020 (the "Report Period"). This report applies solely to order execution activity undertaken by Caxton Europe and does not address the order execution activities of any other entity of Caxton.

As a global macro alternative investment manager, the primary instruments traded during the reporting period were derivatives. This disclosure covers the following classes of financial instruments that were traded over the course of 2020.

Close links, conflicts of interest and common ownership with respect to brokers	<p>A fund complex managed by Goldman Sachs Asset Management L.P. ("GSAM") owns a passive minority interest of 19.98% in Caxton Associates LP ("Caxton") and certain of its affiliates. Goldman, Sachs & Co. and certain of its affiliates (collectively "Goldman") is a principal prime broker and futures commission merchant for funds for which Caxton acts as trading advisor and with respect to which Caxton has entered into sub-investment management agreements with Caxton Europe. Goldman is also an active counterparty with respect to certain over-the-counter trading agreements, repurchase agreements, as well as delivery versus payment and give-up arrangements. In addition, Abel Noser LLC ("Abel Noser") provides Caxton Europe and certain of its affiliates with both transaction cost analysis and brokerage services. The ownership interest of the GSAM and the related GSAM managed entities in Caxton Europe and certain of its affiliates and the provision of analytics by Abel Noser creates a potential conflict of interest with respect to brokerage and counterparty arrangements.</p> <p>However, Caxton Europe has fiduciary duties with respect to its clients, and brokers are selected on the basis of best execution and their ability to obtain the most favourable overall results, taking into account such factors as commission rates, size of order, research and execution capabilities, and financial stability and reputation.</p> <p>The GSAM fund complex and the related GSAM managed entities and their affiliates also will have certain access with respect to investment funds and other products sponsored, controlled or advised by Caxton or its affiliates which are generally open to investors. Such access does not include any rights to special or preferential terms or conditions.</p> <p>The entities referred to in the above disclosures appear in the top five broker/venues for the</p>
